

Please do not implement any proposal that would lessen Indiana's Telephone Privacy law protections.

Indiana's Telephone Privacy law has improved my time at home.

Indiana's Telephone Privacy law has been very effective. For example: I used to receive 3 to 5 calls per day, now I only receive one per week.

Privacy is very important to any citizen and I wouldn't want that diminished by any means in this very fast paced and hectic state that most of us are in.

Sincerely, John H. Heyder
